## 1. AapterPortofolio kotlin

```
oackage com.stmikakba.a.ashbar.portofolio
import androidx.recyclerview.widget.RecyclerView
RecyclerView.ViewHolder(itemView) {
parent, false)
position: Int) {
listPortofolio.get(position).namaPortofolio
```

## 2. Data portfolio object

```
object DataPortofolio {
       val namaPortofolio = arrayOf(
           R.drawable.cruella,
```

segera menghubungi pihak berwenang untuk menolong Aron agar ia dapat tetap hidup.",

"Fashion heist, fun, and stylish! Masa muda Cruella akan benar-benar terkuak di film ini! \n" +

"\n" +

"Cruella datang dengan Origin Story dari salah satu Villain semesta Disney. Hadir dengan film solonya, Cruella tampil staylish nan fashionable. Craig Gillespie yang duduk dibangku Sutradara memberikan warna tersendiri lewat permainan Costume yang memang menjadi daya jual film ini.\n" +

"\n" +

"Beberapa bagian plot memang tidak terlalu realistis tetapi jika ada genre comedy yang dimasukkan saya rasa bisa jadi pertimbangan. Adegan heistnya seperti film-film heist kebanyakan, tapi plotnya sangat unpredictable, durasi dua jam lebih terasa sangat cepat dengan twist yang oke. Sinematografi dan visual yang dihadirkan lebih gloomy dan terkesan dark. Estetika umum di film ini juga sangat luar biasa.\n" +

"\n" +

"Dialog di film ini bukan untuk semua orang, beberapa orang mungkin berpikir isi dialognya agak sok atau terkesar ngeri tapi sava pribadi justru menvukainva. \n" +

"\n" +

"Parade Costume dari Jenny Beavan menambah glamournya Cruella. Mengusung tema dunia fashion, mata penonton tidak akan lepas dengan Design Costume yang ditawarkan Cruella. Vibe tahun 1970 - an yang terasa colorfull, membuktikan Jenny Beavan adalah orang yang tepat dalam hal mendesign costume yang ciamik tapi masih enak dipandang mata. \n" +

"\n" +

"Performa Emma Stone dan Emma Thompson tak perlu diragukan lagi. Mereka berdua selalu tahu bagaimana membangun dan mendalami sebuah karakter di dalam peran. Khususnya Emma Stone yang berkesempatan untuk tampil gila-gilaan di sini! \n" +

"\n" +

"Personal rate: 8.5/10",

"Salah satu produk Warner Bros. terbaik tahun ini, bahkar dekade ini. "Joker" tegas, berani, provokatif, emosional, sekaligus mengerikan. Jika "Midsommar" sekadar mengganggu batin, "Joker" dengan nyata mengacaukan jiwa dan pikiran kalian ke tingkat di mana kalian menyadari turut delusional akibat sebuah film.\n" +

"\n" +

"Kewarasan kalian akan dipertanyakan kala menghadapi untuk harus bersikap simpatik terhadap karakter ini sebagai dampak dari kesehatan mentalnya atau mempertanyakan tindak kejahatannya yang semakin tidak terkendali. Tapi itulah Joker, bernama asli Arthur Fleck, salah seorang karakter antagonis legenda dan fenomenal dari sebuah karya fiksi. Film ini menghantarkan kita cerita lahirnya kriminal tersebut menjadi psikopat nomor 1 di Gotham.\n" +

"\n" +

"Di balik kisah asal muasalnya, "Joker" menyimpan lebih banyak isu dari yang dibayangkan. Sampah menumpuk di mana-mana, aksi berujung ricuh mengisi jalanan, hingga elit politik dan media tidak tahu diri yang terus meninggi di tengah kalang kabut segala konflik ini. Menonton "Joker" yang penuh ironi seakan menyaksikan dengan miris cerminan kondisi negara kita saat ini. "Perasaanku saja atau di luar sana semakin menggila?" tanya Joker.\n" +

""Joker" memang berhasil menjadi sebuah tontonan kritik sosial yang provokatif. Namun, film ini punya isu lebih dari itu. "Joker" adalah sebuah drama-psikologis yang berdampak kuat pada kondisi mental personal seorang insan manusia, baik itu sang karakter maupun kita sebagai penonton.\n" +

"\n" +

"Joaquin Phoenix dalam penampilannya yang terus memukau di setiap film akhirnya tiba di puncaknya dalam film ini. Upayanya untuk menurunkan berat badan drastis tidak sia-sia. Sebagai Arthur, Phoenix dalam postur-postur mengerikan memutar anggota badannya seolah tulang-tulangnya terbuat dari plastik. Dan bagian terbaik adalah ketika ia berada di bawah tata rias badut dan tertawa maniak yang cukup untuk membuat bulu badan kalian tegak. Ini namanya penampilan ikonik!

"\n" +
"\n" +

"Skor total : 9.8/10".

"Sinopsis: menceritakan tentang Travis Bickle, sekaligus mantan tentara perang Vietnam menjalani pekerjaan baru sebagai supir taxi malam di new York. Situasi di kota New York membuat Travis belajar banyak tentang apa yang terjadi kota New York saat malam hari.\n" +

"\n" +

"Alur ceritanya menarik diiringi narasi Travis sebagai narator. Film ini menceritakan tentang betapa kesendiriannya Travis sebagai supir taxi malam sekaligus dalam hidupnya..menderita insomnia jelas jadi penderitaan lain nya..selain itu..Travis juga bersifat antisosial dengan beberapa kebiasaan yang aneh dan agak bingung juga apakah si travis ini baik atau jahat tapi yaaa...bodo amat..I just watch the movie and chill..\n" +

"\n" +

"Sinematografinya juga jadi perhatian banget... lampu bernuansa kuning serta merah cukup menggambarkan suasana retro saat malam di kota new York. Scoringnya juga cakep..saxophone jazz kental banget dibeberapa kesempatan sekaligus membuat suasana lebih klasik, dan sexv.\n" +

"\n" +

"Robert De Niro jelas menjadi MVP di film ini..aktingnya sebagai travis Bickle menuai beberapa pujian..sekaligus salah satu akting terbaiknya dia...kolaborasi nya dengan Martin Scorsese untuk kesekian kalinya bener bener edan. Travis Bickle bener bener tokoh ikonik banget di perfilman Hollywood. Film ini juga melambungkan nama Jodie Foster yg masih 14 tahun yang perannya jadi gadis penghibur. Serta ada Cybil Shepherd yang berperan sebagai Betsy, doi nya

"\n" +

"Meskipun endingnya agak ambigu dan berlumuran darah, dan endingnya mengingatkan sama film Joker (2019), namun overall film ini tetap menjadi salah satu karya terbaik Martin Scorsese sekaligus membuat namanya jadi salah satu sutradara terbaik dunia..well done, grandpa.\n" +

"\n" +

""You talkin to me? You talkin to me? You talkin to

me?\n" +

"\n" +

"Rate Pribadi : 8/10"
